Programme

Monday 16 August

- S1 Opening & welcome
Round of Introductions

Introduction to the course and orientation on themes

Prof. dr. [Marijk van der Wende](#) (Utrecht University)

Prof. dr. [William Kirby](#) (Harvard University)

Theme 1: Closing the knowledge gap

What is needed to enhance understanding between the West and emerging regions and profiling countries like China? What global interaction patterns need to change in the higher education sector, and how are the specific challenges that the humanities need to face related to broader transformations?

- S2 Group activity: How do we look at the world and what defines (y)our world view?

Lecture by Prof. dr. [Dominic Sachsenmayer](#) (Göttingen University)

Q&A - Open discussion

Tuesday 17 August

Theme 2: Sustaining the global common good, shared values, and open science

How can higher education respond to the changing geo-politics?

- S1 Group activity: Common concepts or lost in conversation?

Interview with [Nana de Graaff](#) (VU University Amsterdam)

Response by Prof. Dr. [Shi Jinghuan](#) (Tsinghua University)

Q&A - Open discussion
- S2 Workshop: Global higher education and common good(s)
With [Dr. Lin Tian](#) (Hunan University), Ting Zhao, MA (Beijing Normal University), and Jie Lin, MA (Shanghai Jiao Tong University).

Wednesday 18 August

Theme 3: Rethink Internationalization

How to move internationalisation beyond the "Western industry / import model"? What can be learned about internationalisation practices across disciplines?

- S1 Group activity: What's going on in Budapest?

Lecture by Prof. dr. Marijk van der Wende (Utrecht University)

Q&A - Open discussion
- S2 Workshop: Reimagining HE internationalisation
With [Bowen XU](#), MA (Cambridge University) and [Xenia Otmakhova](#), MSc (Schwarzman Scholar)

Thursday 19 August

Theme 4: Engaged students

How to support students in finding nuance, overcoming value judgements, approaching big questions and ethical issues from different perspectives? How can HE help them to develop intellectual humility and understanding of the validity of other people's perspectives? Develop empathy?

S1 Introduction by Prof. dr. Marijk van der Wende (Utrecht University)

Workshop: What makes a student in a global world? Engaging higher education across cultures

With [Jelena Gledic](#), MA (University of Belgrade) and Dr. [Lily Yang](#) (University of Oxford)

S2 Harvard Ethics Bowl with [Caitlin Fitchett](#), [Jess L. Miner](#) and [Jacob Fay](#) (Harvard University)

Friday 20 August

Theme 5: Regulatory and normative aspects of governance

How can European and international law support higher education collaboration? How can it be sustained under conditions of increasing security risks, without jeopardizing institutional autonomy, academic freedom, and human rights?

S1 Uncertainty in China's Transition towards the Rule of Law
Dr. [Cong-ruì QIAO](#) (VU University Amsterdam)

New EU regulations for Dual Use knowledge exports: implications for universities
Claire Stalenhoef & Dr. [Machiko Kanetake](#) (Utrecht University)

Open or Exposed? Conflicting forces in International AI Research
Prof. Dr. [Lynda Hardman](#) (CWI Amsterdam, UU, LIAMA)

S2 Wrap up on summer school outcomes:

- Reflection on personal learning experience
- Input for the agenda on future research
- Input for policy and practice
